FLEET WEEK 2019
BOATING PUBLIC NOTICE

This year’s on-water Fleet Week activities will be held October 10th through October 13th. To ensure the safety of participants and spectators on San Francisco Bay, the U.S. Coast Guard has enacted special local regulations, published in the Federal Register and advertised by Local and Broadcast Notice to Mariners. Coast Guard, Coast Guard Auxiliary, and law enforcement vessels will be patrolling the regulated areas to ensure all Fleet Week events are conducted safely.

ACTIVITIES AREA CLOSURES

NAVY PARADE OF SHIPS

Regulated Area “Alpha,” which is depicted on “Chart 1,” will be enforced on Friday, October 11th between 10:30 a.m. and 12 p.m. Traffic will be restricted by special local regulation throughout most of the Central San Francisco Bay from the Golden Gate Bridge, south of Alcatraz, to just south of the San Francisco-Oakland Bay Bridge. This is to accommodate the Navy Parade of Ships as they pass under the Golden Gate Bridge to their assigned moorings in San Francisco. Additionally, no person or vessel may enter or remain within 500 yards ahead of the lead Navy parade vessel, within 200 yards astern of the last parade vessel, and within 200 yards on either side of all parade vessels. No person or vessel shall anchor, block, loiter in, or impede the transit of ship parade participants or official patrol vessels. No vessel will be permitted to cross the parade line or interfere with the safe transit of the parade participants in any way. A 500 yard protective zone will also be enforced around each naval vessel the entire time they are in the port.

BLUE ANGELS DEMONSTRATION

Regulated Area “Bravo,” which is depicted on “Chart 2,” will be enforced during the dates and times as noted on “Chart 2.” The enclosure to this flyer depicts the boundaries and coordinates of the most significant regulated areas. Federal Aviation Administration regulations require that these areas be clear of all vessel traffic during the specified times in order for scheduled air shows. In the southern portion of regulated area “Bravo,” the Coast Guard will enforce a no-loitering area from 75-yards south of the Air Show Box adjacent to Pier 39 west to St. Francis Yacht Club. While transiting this no-loitering area, vessels shall proceed at a safe speed as not to cause a wake. This requirement will be strictly enforced to preserve the safety of life and property. No spectator vessels will enter the 2019 Fleet Week Air Show box without explicit permission from the U.S. Coast Guard.

WATCHING THE SHOWS

The best areas to observe the air shows and the Parade of Ships are:

- North of the “Alpha” box for the parade and North of the “Bravo” box for the air show
- East of Blossom Rock Buoy
- From the shore
